

Malmesbury area bus services

are changing from 1 August 2022

On 1 August 2022, we will be making some changes to the bus services that Coachstyle operate in the Malmesbury area and introducing some improvements as well. The changes include the introduction of a **new service 99** linking Swindon, Wootton Bassett, Brinkworth, Malmesbury, Corston, Hullavington, Stanton St. Quintin and Chippenham every hour and providing faster journeys into Chippenham without the need to change buses in Malmesbury. This service will replace existing services 31, 31A and 92 and we have also standardised the route through the Filands, Tetbury Hill and Corn Gastons area of Malmesbury to make it easier to remember where and when to catch your bus.

The new timetables for these services are included in this leaflet - please check them carefully as most buses after 9am will run at least 10 minutes earlier than they do at present. Please also note that buses operating the Malmesbury Town service will now show the route number 90 instead of 30 and after 8am Kington St. Michael village will only be served by a new bus route 44K which will be run by the Faresaver bus company.

Unless shown otherwise, all the services in this leaflet are operated by the Coachstyle bus company and are designed and funded by Wiltshire Council. If you experience any problems with the operation of these services, or would like to request further alterations to them, please contact Wiltshire Council's Passenger Transport Unit on **01225 718080**, or email us at **buses@wiltshire.gov.uk** or write to the Bus Network Manager at: **The Passenger Transport Unit, Wiltshire Council, County Hall, Trowbridge.
